Dear Navraj Kambo,

I am very pleased to formally offer you admission to the Master of Engineering Program at the University of British Columbia. Congratulations on your acceptance.

Degree Program: Master of Engineering in Electrical & Computer Engineering

Campus: Vancouver

Program Start Date: September 1, 2026

Expected Minimum Duration of Program: 12-16 Months

Student Number: 23152151

Date of Birth: April 17, 1997

Program Fees: \$6,974.94 CAD per year (payable in 3 equal installments of \$2,324.98)

You will also be assessed student fees as outlined in the UBC Calendar. All fees for the year are subject to adjustment and UBC reserves the right at any time to change any fees without notice, including tuition and student fees. For more information on tuition and other fees, refer to <http://www.calendar.ubc.ca/vancouver>.

Admission Expiry Date: September 1, 2026

Note: Please Accept or Decline your Admission Offer by May 20, 2026.

Admission Status: ~~Admission Status:~~ Conditional Acceptance

Remarks: Please courier one set of your final official transcripts and degree certificates to the UBC Department of Electrical and Computer Engineering (5500 - 2332 Main Mall, Vancouver BC, Canada V6T 1Z4) in envelopes which are sealed and endorsed by the issuing institution immediately.

UBC has important policies that apply to all members of our community. Please refer to our Academic Calendar: <http://www.universitycounsel.ubc.ca/policies/index>. We also offer a wide range of financial and support services.

Please refer to the website: <http://ece.ubc.ca/policies-and-procedures/meng>, email help@ece.ubc.ca, or call 604-822-0895 if you have any questions about this offer and for additional information about your program.

We look forward to welcoming you to our UBC community and wish you every success in your program.

Sincerely,

Agnes d'Entremont
